Letter No. 174-93 dt 4-3-35 from the Registrar, Mysore University forwarding a copy the representation of Mr J.C. Rollo, Principal, Maharaja's College, Mysore requesting that his pay + allowance may be Consolidated & his Salary as principal fixed at Rs 1150/- p.m.

Subs

1) Mr Rollo is in receipt of a Salary of Rs 1000/- + Spl A. 150 (absorbable) + DA. 150 (personal) the duty allowance attached to the post of the Principal, Maharaja's College was Rs 200/-. When Go dt 2-10-31 reducing allowances, it ~~was~~ had been reduced to Rs 100/-. But again it was raised to Rs 150/- p.m. 1-6-34. (vide Go dt 26-11-34)

2) Now Mr Rollo requests that his ~~Salary~~ pay and the duty allowance as Principal may be Consolidated and his pay fixed at Rs 1150/-. The representation of Mr Rollo is for orders.

Repr^n of Mr J. C. Rollo

File No. of 193 . | General and Revenue Secretariat

Mr J. C. Rollo, Principal Maharaja's College, now gets the following emoluments

(i) Rs 1,000 : Pay.
(ii) 150 : Special absorbable allowance granted to European officers (from 8.10.25)
(iii) 150 : Duty allowance as Principal. (Recently raised from 100 to 150)

1,300

The request of Mr. Rollo is that (i) & (iii) above may be consolidated and his salary fixed at Rs 1,150 (for purposes of leave, pension and other purposes), without prejudice to the absorbable allowance of Rs 150

4) The following points are submitted in this connection. Mr Rollo implies that the post of Principal is a separate independent & permanent appointment and his emoluments in this connection ~~are therefore~~ represent the substantive salary of the post. It is true that for purposes of tenure an officer is appointed to "act", "confirmed" etc. as Principal, but no separate Scale of pay has been fixed for the post of Principal and an officer appointed as Principal ~~has been~~ continues to do his duties as Professor & is allowed to draw his grade pay as Professor + an allowance for extra responsibilities as Principal

Serial No.

(The amount of this allowance has been varied according to circumstances).

5) Another point is that the Special allowance of Rs 150 granted to Mr Rollo (along with other European Offrs) was intended to be an addition only to their emoluments at that time and it was laid down that it would be absorbed if the emoluments of the incumbents ~~at~~ were increased. If Mr. Rollo's pay as Principal is fixed at Rs 1150 (consolidated), the Special allowance is liable to be absorbed. He wants this to be safeguarded & the S. A. also continued.

(Flag) V.

6) (Mr Mc. Alpine has submitted a representation claiming seniority over Mr Rollo and asking for the enhancement of his D.A. as Principal also from Rs 100 to Rs 150 (as was done in the case of Mr Rollo), & this request has been supported by the D.C. that is being worked up separately. It is possible, however, that any concessions shown to Mr Rollo would be claimed by Mr Mc. Alpine also)

9) There is no separate post of a Principal with a salary fixed to it. The duty allowance is given to a Professor for doing the additional duties of the Principal.

10) The request to consolidate the duty allowance into salary is not acceptable on principle or financially especially after the introduction of the rule that duty allowances shall not count for pension, leave etc., If the request is sanctioned in this case it cannot be denied in the case of Mr. Mc. Alpine and of several others where duty allowances have been attached to posts.

11) Moreover in the case of Mr. Rollo if the salary is increased the absorbable Personal Allowance should get itself merged.

Letter No.2434, dated the 14th February 1935, from Mr.J.C.Rollo, M.A., J.P., Principal, Maharaja's College, Mysore, to the Registrar, University of Mysore.

=====

I have the honour to request that Government may be pleased to consolidate into salary of Rs 1150 my salary, Rs 1,000/- and what is at present called my duty allowance (principal's allowance), Rs 150/- without prejudice to my special absorbable allowance. I think it is clear that this would more correctly correspond to my duty and status than the present arrangement. The Principal's allowance is not allowance in the ordinary sense, for work added to one's normal work, since when a professor is appointed principal of a college the essence, and the great bulk, of his work is that of the principalship, which also is a substantive appointment held permanently. Thus the total sum drawn by the principal is certainly his salary as principal. Recent orders affect me seriously in a number of ways, because the salary is reckoned as only 1,000. It means that now my total emoluments for purposes of pension, leave and travelling allowance (including absorbable allowance) are only 1150, and this does not seem to represent correctly my position and claim in these respects.
